Hi Beth,

The RD IO wants me to upload all of these letters to PPLS. Since these letters don't have labels they're going to have to bypass some QA/QC rules. Mind if I enlist Jen for help on this? Shouldn't take her more than hour.

Let me know.

Thanks,
Jackie

Hi Karen,

The approval letter for the amendment requesting new containers for 8329-36 and 8329-44 is the attached document. Please let me know if you have any questions.

Many thanks,
Jackie
